CERTIFICATION AND AUTHORITY TO RELEASE INFORMATION

I understand that it is the policy of DNGE to extend preferential consideration to qualified Native Americans in hiring, transfers, and promotions (pursuant to the Indian Preference Act, Title 25, U.S.C. Section 472 and 473, and the Sisseton-Wahpeton Tribal Code Chapter 59-03-02). With the exception of the above, DNGE offers to all applicants for employment, an equal opportunity for available positions, regardless of age, race, sex, creed, religion, physical, or mental handicap.

I understand that if I am employed, any misrepresentation or omission of material fact on this application is sufficient cause for dismissal. DNGE, in considering my application for employment, may verify the information set forth on this application and obtain additional information concerning my background. I certify that the information that is provided on this application, the requested supporting documents, and the statements made in the interview are true and complete to the best of my knowledge. I understand that any false or misleading information, including omission of facts, given on this application, in the supporting documentation, or during the interview is grounds for disqualification from further consideration, or if employed, for immediate discharge without notice. As an applicant of DNGE, I can expect to be interviewed by a fair and impartial interview committee.

I further agree to submit to alcohol/drug screening tests, where and whenever legal, if requested of me at any time prior to, or during my employment. I understand that if an offer of employment is extended, employment is contingent upon the final outcome of a drug test. A positive test is grounds for immediate discharge.

I have read, and I understand the above.
